Recommended "High Score to Date" levels:
(reset periodically)
3 ball 560,000 points
5 ball 600,000 points

Because of a mix-up in the manual, the scores on the card for 3 balls are on the card for 5 balls and vice versa. I have corrected this error.

If you have any other information about these cards, please send a readable picture or scan to me.

Enjoy and have fun,
Peter
